

Name	Enrico Isidori
Email	enrico.isidori@gmail.com
Website	enricoisidori.com
Instagram	@enrico.isidori
Profile	Designer, researcher, educator and artist. Works across communication, critical, interaction, information and exhibition design, with an interest in non-disciplinary approaches and non-linear design processes.
Location	Milan
Education	
2025	Master's Degree in Communication Design, Politecnico di Milano, School of Design Thesis In progress, under the supervision of Prof. Francesco E. Guida. Grade 110/110 Title <i>OFF-DISCIPLINE: Out-of-Place Design Condition</i> Field Unconventional methodologies, design approaches, non-linear processes, antisciplinary, postdisciplinary Supervisor Prof. Francesco E. Guida
2024	Erasmus Programme at École Nationale Supérieure des Arts Appliqués et des Métiers d'Art, Paris Areas of study Typography, printing techniques, generative AI Duration 6 months
2023	Bachelor's Degree in Communication Design, Politecnico di Milano, School of Design Grade 110/110 with honours Title <i>Specta: Your personal eco-anxiety silencer</i> Field Communication design, speculative design, interaction design, fictional branding, rapid prototyping, eco-anxiety, non-human, anti-biocentrism Context Final Synthesis Laboratory C1 Supervisor Prof. Francesco E. Guida
2020	Scientific High School Diploma, Liceo Bertrand Russell, Rome Grade 100/100
Publications	
2026	Guida, F. E., & Isidori, E. (in press). Antisciplinary communication design: A case of studio-based practice for producing embodied, explicit, and discursive knowledge. In Proceedings of the SID 2026 Annual Conference: Design Doing. Italian Society of Design.
2026	Guida, F. E., Isidori, E., & Tranti, C. (2026). Antisciplinary design as epistemic resistance: Critical and political agency in communication design education. <i>Progetto Grafico Journal</i> , 23(42), 194–217. https://doi.org/10.82068/pgjournal.2026.23.42.08
2025	Esposito, M., Guida, F. E., Isidori, E., & Tranti, C. (2025). Conspiracy fiction as a tool for critical thinking: Designing embodied narratives based on conspiracy theories to reflect on contemporary issues and communication design. In <i>Ethical Leadership: A New Frontier for Design</i> (Cumulus Conference Proceedings Series, No. 14, pp. 1618–1634). Cumulus Association. https://hdl.handle.net/11311/1309667
2024	Esposito, M., Guida, F. E., Isidori, E., & Tranti, C. (2024). Anthropogenic narratives: Imagination and antisciplinary for the communication of non-human perspectives. In M. Bisson (Ed.), <i>Environmental Design: Conference Proceedings of the 4th International Conference on Environmental Design</i> (pp. 585–597). Palermo University Press. https://hdl.handle.net/11311/1267084
Conferences	
25 June 2026	Design Doing, Italian Society of Design, unibz, Bolzano Contribution <i>Antisciplinary communication design: A case of studio-based practice for producing embodied, explicit, and discursive knowledge.</i>
3–7 June 2025	Ethical Leadership: A New Frontier for Design, Cumulus Nantes 2025, Nantes Contribution <i>Conspiracy Fiction as a Tool for Critical Thinking: Designing Narratives to Reflect on the Contemporary Information System</i>
9–11 May 2024	Environmental Design: 4th International Conference on Environmental Design, MDA, Ginosa Contribution <i>Anthropogenic Narratives. Imagination and Anti-Disciplinary for the Communication of Non-Human Perspectives</i>

Lectures

15 February 2026	Out-of-Place Discipline, Out-of-Phase Processes Lecture at Contribution	Elisava, School of Design & Engineering with Post Computing Lab <i>OFF-DISCIPLINE: Out-of-Place Design Condition</i>
15 March 2025	Symposium on Antidisciplinary, Milan Lecture and organisation Contributions	with Transmedia Research Institute and Final Synthesis Laboratory C1, Communication Design, Politecnico di Milano, in collaboration with 2050+ and Dotdotdot. <i>Anthropogenic Narratives. Imagination and Anti-Disciplinarity for the Communication of Non-Human Perspectives and Conspiracy Fiction as a Tool for Critical Thinking: Designing Narratives to Reflect on the Contemporary Information System</i>

Teaching experience

March–July 2026	Lecturer At Field Faculty Activities	Digital Applications for Art (Data Visualization), Communication and Creative Technologies, IED, Turin. Critical data design, information design, computational methods, communication design Antonella Autuori – Theoretical lectures and studio teaching – Project reviews – Co-design and iterative project development
September 2023–present	Teaching assistant At Field Faculty Activities	Final Synthesis Laboratory C1 (Antidisciplinary Communication Design Lab), Communication Design, Politecnico di Milano Critical design, speculative design, interaction design, communication design, exhibition design Francesco E. Guida, Pietro Buffa, Alessandro Masserdotti and Giacomo Scandolara – Support for studio and lecture-based teaching – Student tutoring during project development – Project review and assessment – Research activities supporting teaching experiences – Curatorship and coordination of the Laboratory's exhibition projects: Undeclared: Highlighting hidden conflicts through communication and speculative design, Dotdotdot, 2026 Anthropogenic Scenarios: Nature vs Human Matters – Narratives through Design, Salone Satellite, Salone del Mobile, 2025 Believe It or Not: Speculating on (un)real conspiracy theories, Dotdotdot, 2025 Raw Scenarios: Reflecting on human overconsumption, Dotdotdot, 2024

Professional experience

2026–present	Freelance designer Activities	Design, research and consulting in graphic, exhibition, creative art direction, data-information, brand, editorial, web and motion design.
2025–2026	Interdisciplinary designer Studio and association developing projects on the relationship between human and artificial intelligences, with the aim of fostering dialogue among art, technology and society. At Activities Selected project	Operating System Studio and Umanesimo Artificiale Research projects, interactive installations, exhibition design, performing and digital arts <i>N+ Industries: Cognitive Supremacy (Videocittà 2025, Sónar +D 2025)</i>
August 2025	Trainer Platform dedicated to training in the creative and critical use of artificial intelligence. At Activities Courses	BridgeAI — Innovate UK Development and delivery of theoretical-practical lessons in online courses <i>Prompt to Picture: Creating Images with AI</i> <i>Prompt to Motion: Creating Videos with AI</i>
2023–2024	Visual designer Studio with a multidisciplinary approach to design, technology and strategic communication, focused on creating interactive systems, brand identities and cross-media platforms. At Activities Selected projects	Giga Design Studio, Milan Graphic design, web design, motion design, editorial design, visual identity Capsule Plaza, 6AM, The North Face, Bid(s) for Survival

Exhibitions

3–6 July 2025	Videocittà, Agorà Expo, Rome International festival dedicated to audiovisual media and moving images, a European reference point for digital art, technology and innovation through projections, immersive installations and performances. Installation project <i>N+ Industries: Cognitive Supremacy</i> With Operating System Studio Activity Participation as exhibitor
12–14 June 2025	Sónar +D, Barcelona Internationally renowned festival exploring digital innovation in design, art and electronic music through research and experimental projects. Installation project <i>N+ Industries: Cognitive Supremacy</i> With Operating System Studio Activity Participation as exhibitor
7–11 May 2025	Bellaria Film Festival Historic independent festival dedicated to audiovisual research, documentaries and experimental languages. Section Nature Watches Us — Three Minutes on a Fixed Theme Audiovisual project <i>You Never Look at Me Where I See You</i> With Guidone Apulia Factory Activity Participation as author
8–13 April 2025	Salone Satellite, Salone del Mobile, Rho International event and leading platform for experimentation and innovation in the design sector. Installation project <i>Specta — Your personal eco-anxiety silencer</i> Exhibition Anthropogenic Scenarios: Nature vs Human Matters: Narratives through Design With Final Synthesis Laboratory C1, Communication Design, Politecnico di Milano Activity Participation as exhibitor and exhibition-installation curator
9 April–29 May 2025	DesignxDesigners, Fuorisalone, Milan Group exhibition of educational projects held during Milan Design Week within the Fuorisalone circuit. Project <i>Digital_Forest — Four years of human categorization of trail cam footage</i> With DensityDesign Lab Activity Participation as exhibitor
25 February–9 March 2025	MEET — Digital Culture Center, Milan International centre for digital art and culture, dedicated to immersive exhibitions and multimedia experiences. Installation project <i>Digital_Forest — Four years of human categorization of trail cam footage</i> Exhibition Liked, Trapped, Shared. Digital encounters with biodiversity With DensityDesign Lab Activity Participation as exhibitor
16–21 April 2024	Fabbrica del Vapore, Milan Cultural venue, within Design Week, hosting exhibitions, installations and art and design projects. Exhibition Interdependence — Designing Relationships With Politecnico di Milano Project <i>Specta — Your personal eco-anxiety silencer</i> Activity Participation as exhibitor
22 March 2023	Triennale Milano International cultural institution dedicated to contemporary design, art and architecture. Venue Salone d'Onore Exhibition Anthropogenic Narratives: Communicating and Experiencing Non-Human Perspectives Installation project <i>Specta — Your personal eco-anxiety silencer</i> With Final Synthesis Laboratory C1, Communication Design, Politecnico di Milano Activity Participation as exhibitor and curator of the exhibition's graphic design
17–18 September 2022	Graphic Days, Turin International festival dedicated to visual communication design, with exhibitions, workshops and installations exploring the role of graphics in contemporary culture. Venues Cavallerizza Reale, Docks Dora, Torino Print Club Exhibition Neologia — New Languages of Visual Design in Italy Editorial project <i>Draw a line from one side of the page to the other</i> Activity Participation as exhibitor
30 May–1 June 2022	ELO — International Conference on Electronic Literature, Como International event dedicated to electronic literature and experimental writing practices. Editorial project <i>Draw a line from one side of the page to the other</i> Activity Participation as exhibitor

Awards and recognition

August 2025	Published on Contemporary Type Platform and archive dedicated to contemporary typography; it collects and promotes innovative type-design projects internationally. Editorial project <i>Rhytuals: Collective Rhythms</i>
2025–2026	Published on VisualBleed International platform for research and development in art and design, promoting new creative narratives through exhibitions, editorial projects and collaborations. Research project <i>OFF-DISCIPLINE: Out-of-Place Design Condition</i> Installation project <i>N+ Industries: Cognitive Supremacy</i> Editorial project <i>Rhytuals: Collective Rhythms</i>
November 2024	CDSA Awards — International Media Art Creativity Competition, Hangzhou International media-art award organised by the China Academy of Art. Project <i>Specta — Your personal eco-anxiety silencer</i>
May 2024	Published on Pittogramma Italian graphic-design platform promoting young talent and emerging projects. Project <i>Specta — Your personal eco-anxiety silencer</i>
November 2023	Published on Gpu Gallery Showcase dedicated to digital art and experimental visual languages. Project <i>Iterations/inversions</i>
September 2022	Selected for Neologia — New Languages of Visual Design in Italy, Turin Exhibition dedicated to emerging trends in Italian visual design, exploring new languages, practices and perspectives in contemporary visual communication. Editorial project <i>Draw a line from one side of the page to the other</i>
